PROFESSIONAL EXPERIENCE

RDIT Services Pvt Ltd

Frontend developer | Oct 2022 – Present

- Developed a full-stack HR management application with **Next.js (frontend)** and **Node.js, Express.js, MongoDB (backend)**.
- **Integrated Google APIs** for **Maps and OAuth**, **Firebase** for OTP authentication, **AWS SES** for email notifications, and **Razorpay** for secure payment processing.
- **Optimized performance** using **lazy loading, authentication middleware, and role-based access control (RBAC)** for secure access management.
- Implemented core HR features, allowing users to **post resumes, add jobs, and manage applications** efficiently.
- **Enhanced user experience (UX)** with **infinite scrolling and pagination**, ensuring smooth content navigation and interaction.

Qloron Technology Pvt Ltd

React JS developer | Sep 2021 – Sep 2022

- Developed reusable UI components using **React.js and Material-UI**, ensuring a **modern and responsive design**.
- Enhanced **user experience (UX)** with optimized UI layouts and interactive elements.
- **Collaborated on UI debugging**, identifying and fixing inconsistencies to improve visual and functional accuracy.
- Worked closely with **client teams** to ensure smooth integration and optimized **user experience**.
- Built a **multi-role e-commerce system** with a **web app, Merchant Panel, Distributor Panel, and Admin Panel**.
- Implemented **product listing, purchasing workflows, and secure authentication** for seamless transactions.

- Developed **role-based access control (RBAC)** for merchants, distributors, and admins to manage inventory and sales.
